

hollywood's unhappy "bachelors"

CONTINUED

It took Jeff Hunter some time to recover from the shock of divorce from Barbara Rush. Being single is "like being a ship without a rudder."

...The woods are full of this particular species of male desirables in Hollywood. One of the most recent is Jeff Hunter, who still doesn't quite know what hit him when Barbara Rush came home from Ireland after making "Captain Lightfoot" and announced she would file for divorce. For a while, Jeff let his misery show. Then his manly pride asserted itself, and now he sings the same unconvincing tune as his mates in the same boat....
