

WHO IS HOLLYWOOD'S MOST EXCITING BACHELOR?

Candidly yours – the town's top men and your chance to crown The King.

JEFFREY HUNTER, the scars of his divorce from Barbara Rush now healed, is looking for love again. Born in New Orleans, tapped for films after UCLA plays, he's before the camera in UI's *Gun for a Coward*, plays the field romantically. He's 6'1", weighs 180, has blue eyes, brown hair. He likes meat balls and spaghetti, following hunches, all sports and a girl who's mentally alert, physically well-rounded. Shy on a first date, he prefers home to parties, will even cook for the girl of his dreams. If you go for quiet excitement, old-fashioned tenderness, you may be that girl.
