TEMPLE HOUSTON IS BACK!

Albany, GA – BearManor Media proudly announces the release of its new book, *Jeffrey Hunter and Temple Houston: A Story of Network Television*.

When NBC-TV abruptly pulled *The Robert Taylor Show* from its fall primetime schedule in July, 1963, Jeffrey Hunter's *Temple Houston* western series was rushed into production and into the spotlight. The cast and crew had just a few chaotic weeks to get their one-hour weekly dramatic series underway. Packed with newly-published photos, production information from the Warner Bros. archives, and new interviews, this is the never-before told full story of Jeffrey Hunter and *Temple Houston*. Included are biographies of its stars, an episode guide, and little-known information about Robert Taylors' lost TV series. It's an entertaining look at a fascinating piece of entertainment history.
